Higgins' reality TV career started in 2019 when the model entered the *Love Island* villa as a bombshell. Countless viral moments and a finale later (she came in fourth place), she was a bona fide celebrity in the U.K. "The minute I came out, my whole life just completely changed," she says. Right away, she moved from her hometown in County Longford, Ireland, to the U.K. Since then, Higgins has constantly found her way back to the spotlight, whether she's hosting *Love Island USA: Aftersun* or appearing on the British wilderness survival show, *I'm a Celebrity...Get Me Out of Here!*
